account, it is said, of their employers sell-  
ing a lot of muck iron to the Riverside  
Nail Mill.

ARRESTED.—A lawyer by the name of  
Tucker was arrested at Piedmont, on  
Monday evening, by Deputy Marshal  
Hureley. He is represented as being in  
arrears with his license tax to the Govern-  
ment.

STORE ROBBER.—The store of Mr.  
Newton Brown, at Fairmont, was broken  
open on Monday night, and quite a quan-  
tity of goods carried away by the thieves;  
also a small amount of fractional curren-  
cy, which had been left in the drawer. No  
clue to the robbers has yet been obtained.

SENT TO JAIL.—Thomas Daily was up  
before Judge Johnston, yesterday, on a  
charge of whipping his wife. He was  
held to bail in the sum of \$900 for his ap-  
pearance at the next term of the Circuit  
Court, and in default of giving the re-  
quired bond, was sent to jail.

TO KEEP THE PEACE.—John Sheldon  
was brought before Esqr. Clohan, yester-  
day morning, on complaint of having  
used abusive language towards his sister-  
in-law, Margaret Sheldon. He was re-  
quired to give bond in the penalty of  
\$100 to keep the peace for one year.

LEFT THE TRACK.—Tombage engine  
No. 106, B. & O. R. R., ran off the track  
on Monday morning near Oakland. No  
damage was sustained beyond badly dis-  
abling the engine. The Cincinnati Ex-  
press East was delayed about an hour by  
the accident; also the Cumberland Accom-  
modation about three hours.

RETURNED.—The delegates from the  
Young Men's Christian Association in this  
city, returned yesterday from Indianapoli-  
s, where they had been in attendance at  
the International Convention. The next  
annual session of the organization will be  
held in Washington City in 1871. A  
strong effort was made to have it meet in  
California, but it was not successful.

WENT TO GERMANY.—Rev. F. H.  
Lampe, wife and two children, leave on  
the train over the Cleveland and Pitts-  
burgh Railroad this morning for New  
York, whence they take passage in one of  
the steamers clearing from that port Sat-  
urday, for Bremen. They expect to be  
absent until September. We wish them  
a pleasant voyage, a delightful visit and a  
safe return.

BOARD OF REGISTRATION.—Gov. Ste-  
venson has re-appointed Messrs. William

county. Their commissions were receiv-  
ed last evening. They will meet at the  
Court House next Tuesday morning at 10  
o'clock to take the prescribed oaths and  
make preliminary arrangements for the  
approaching registration.

U. A. M.—At an election for officers of  
Roger Sherman Council No. 1, Junior Or-  
der U. A. M., held last evening in their  
hall, the following persons were chosen for  
the positions designated, to serve the  
ensuing term: Councilor, John T. Cowi;  
Vice Councilor, Bert Hobbs; Rec. Sec.,  
John A. Kyle; Assis't Rec. Sec., W. S. Sny-  
der; Fin. Sec., David R. Brooks; Treasur-  
er, Roderick Meek; Conductor, Lewis  
Albright; Warden, Wm. P. Holliday; In-

Thomas Moorhead, William Ellingham,  
G. W. Franzheim, J. M. Bickel, Henry  
Stamm, W. P. McKelvey and William

Yesterday afternoon the trustees met  
in the office of J. M. Bickel, and organized  
by electing Mr. Bickel as President, W.  
P. McKelvey, Secretary, and F. A. Brent-  
linger, Treasurer.

SOMETHING NEW.—Our friends, Messrs.  
D. Lynn & Co., present in an advertise-  
ment which appears in our columns this  
morning, some of the advantages pos-  
sessed by "Wellman's Patent Reflector  
Grate" over all others. From a careful  
examination of the article, we are in-  
clined to think that they do not claim too  
much for it; and we would advise all  
who contemplate making changes in their  
grates, or who are about to furnish their  
houses with such heating appliances, to  
call at Messrs. L. & Co.'s warehouses, No.  
74 Main street, and see a specimen of the  
"Wellman" and observe the easy method  
of operating it. We are aware that with  
the prevailing temperature, people think  
of almost anything else than something to  
keep them warm; but winter will be here  
in due time, and this is the season to pre-  
pare for it. Go then, and examine this  
greatest of all grates.

## ST. JOSEPH'S FEMALE ACADEMY.—In

yesterday morning's paper we made men-  
tion of the distribution of premiums to

ST. VINCENT'S COLLEGE.—The annual  
distribution of premiums and closing ex-  
ercises of the academic year, came off last  
evening in the hall of the Catholic Insti-  
tute. At an early hour every chair in the  
hall was occupied. The college band was  
stationed on the stage and furnished the  
music for the occasion. Premiums were  
awarded to those who excelled in the  
Classical, English, Commercial and Sci-  
entific departments; the Modern Lan-  
guages, Arts, Christian Doctrine and Good  
Conduct.

Two dramatic representations were  
given, and the young gentlemen who  
sustained the different characters "acted well  
their parts." Where all did so finely, we  
do not think it just to particularize. We  
are confident that troupes of professionals  
have visited our city whose performances  
would suffer in being compared with the  
manner in which the amateurs of St. Vin-  
cent's acquitted themselves last evening.

The temperature in the hall was intense-  
ly high, and excepting the complaints we  
heard in that particular, the general ex-  
pression of the audience was that of  
praise for the pleasure experienced in at-  
tending the entertainment.

VAN AMBROU & CO'S MENAGERIE.—  
This extensive collection of living wild  
animals, which is to exhibit in Wheeling  
on the Fourth of July, presents many at-  
tractions of much more than ordinary in-  
terest. Many exceedingly rare species are  
represented in it, among which may be  
mentioned the great African Elephant, a ma-  
jestic specimen of the antelope, weighing  
2,000 pounds; the hart-beeste and black-  
back, so often mentioned in the works of  
Dr. Livingston, Du Chaillu and other  
African explorers; the red stag of India;  
the caribou and the lion slayer, the latter  
a monster species of baboon frequently  
compounded with the gorilla. None of  
these have ever before been seen in this  
country. There are other animals in the  
collection that have been rarely seen  
in similar exhibitions, such as the  
huge rhinoceros, the gnu or horned  
horse, (the first one exhibited here for over  
twenty years), the white Tartary Yak and  
others of equal interest. There are also  
birds in great variety, and the largest  
elephant in the country, the famous "Tip-  
too Sah," together with a baby elephant  
of the African species and of illiputian  
proportions. A lecture on natural history  
in which the traits and habits of the an-  
imals on exhibition are briefly summed up  
is a new feature and an excellent one.

SKIFF AND GAYLORD.—We need hard-  
ly do anything more than announce the  
fact that Skiff and Gaylord's minstrels are  
coming, to secure a full house. They are  
well known in this latitude. Every mem-  
ber of the troupe is a star in the profes-  
sion. If you want to have a good hearty  
laugh, go early this evening and get a  
good seat. Although the weather is hot,  
we expect Washington Hall will be crowd-  
ed to-night. See advertisement.

FINE STOCK.—To those of our readers  
who have occasion to drive or ride out,  
and have neither horse nor carriage, we  
commend our friends Christian & De-  
bold, corner of Main and John streets.  
They are prepared to furnish you with as  
fine a turn out as can be had in this sec-  
tion, and you will find them A No. 1 livery  
stable men. Give them a call.

POLICE COURT.—This following business  
was transacted in this Court yesterday  
morning: George Duncan, drunk and  
disorderly, five dollars and costs; Mar-  
garet Jones, drunk, one dollar and costs  
(sent up for five days); Charles Morris,  
tumult and disorder, examination post-  
poned until 9 o'clock this morning.

Just received another lot of those fine  
Lasting Gaiters worth \$3.50 for \$2.75, at  
Louis V. Bond's, 107 Main street.

REPORTED SUNSTROKE.—There was a  
report in South Wheeling, Saturday, that  
a man at Lagrange had been prostrated  
with the heat, but after diligent inquiry  
our informant could trace the report to no  
reliable source.

THE largest stock and latest styles of  
Women's, Misses and Children's shoes in  
the city can be found at Louis V. Bond's,  
107 Main street.

Street M. E. and St. John's Churches, for  
sale at the Partridge Gallery.

GRAVEL AND CEMENT ROOFING.—  
George Crumbrucker would inform the  
public that he is still engaged in the  
Gravel Roofing business, and that he is  
prepared at any time to put on roofs, either  
large or small, at the shortest possible  
notice, guaranteeing his work for a term  
of years. He has now been engaged in  
the business for seven years past, and his  
work has outlived a half dozen other  
Patent Roofs. The demand for his work  
is increasing from year to year. He put  
on during the past year 1,500 squares of  
his roofing in this city, which has given  
satisfaction in every respect. Address  
him through the Post Office, or call at his  
brick-yard, head of Lindsey street. All  
orders will be attended to promptly.

Koskoo.—This medicine is rapidly gain-  
ing the confidence of the people, and the  
numerous testimonials of its virtues, given  
by practitioners of medicine, leave no  
doubt that it is a safe and reliable remedy  
for IMPURITY OF THE BLOOD, LIVER DIS-  
EASE, &c.

The last Medical Journal contains an ar-  
ticle from Prof. H. S. Newton, M. D.,  
President of the Medical College, city of  
New York, that speaks in high terms of its  
curative properties, and gives a special  
recommendation of Koskoo to the prac-  
titioners of medicine. This is, we believe,  
the first instance where such medicines  
have been officially endorsed by the  
Faculty of any of the medical colleges, and  
reflects great credit upon the skill of Dr.  
Lawrence, its compounder, and also puts  
"Koskoo" in the vanguard of all other medi-  
cines of the present day.
